RESPONSE TO MOTION TO AMEND CASE MANAGEMENT ORDER

COME NOW the Moultrie County Property Owners ("MCPO"), by their attorneys, Lueders, Robertson & Konzen, and in response to the Motion to Amend Case Management Order To Either Eliminate The December 31, 2012 Filing Requirement, Or To Extend The Time For Same, filed by the Stop the Power Lines Coalition ("Coalition") state as follows:

1. Given the short time frame and the two federal holidays (Christmas and New Year) occurring within the available time frame, MCPO is supportive of the Motion and has no objection to same. MCPO is attempting to comply with the Case Management Order and hopes to be able to do so.

2. In the alternative, if the Administrative Law Judges ("ALJs") are not inclined to amend the Case Management Order as proposed by the Coalition, then the ALJs could modify the Case

Management Order to make clear that no party will be prohibited from producing and presenting evidence on an alternative route in their testimony by reason of their failure to comply with the December 31, 2012 filing requirement.

WHEREFORE, the Motion to Amend the Case Management Order should be granted, or in the alternative, the Case Management Plan should be amended to make clear that failure to comply with the December 31, 2012 filing will not bar parties from offering testimony on alternative routes in this case.

Respectfully submitted,

Eric Robertson
